Instructions for Using a Power of Attorney on Vehicle Title and/or Registration Documents

The power of attorney must be exercised by the person or firm named as representative on this form. To properly exercise the power of attorney, write the name of the owner followed by the representative's signature.

Example: Sharon Smith by Jane Doe, POA

Sharon Smith is the owner and Jane Doe is the person named as representative on the power of attorney.

If the named representative is a company, an authorized individual of that company must sign the document.

Example: Sharon Smith by Morrison's Garage George Morrison, POA

Note: The power of attorney must be exercised on the title or document for which the authority was granted.
